

HOME SCHOOL SAFARI

DESCRIPTION:

Classes will be held on the 2nd Friday of every month from October thru April and will be drop off. Each class will have a different theme with fun activities, plenty of learning opportunities, and a visit from some animal friends. Sign up for one class or all the classes but registration will close the Monday before each class.

Children will be split into like age groups and all groups will go on at the same time. Age groups will be 5-6 year olds, 7-9 year olds, and 10-12 year olds.

Please note that the class times are not the same from week to week.

CLASS SCHEDULE:

October 14th 1:30-3:30 PM-Amazon Exploration-Learn all about the South American rainforest and its' inhabitants.

Registration closes October 10th.

November 11th 9:45-11:45 AM-Iowa Wildlife-We'll focus on some of the amazing animals that we could find right in our back yard!

Registration closes November 7th.

December 9th 1:30-3:30 PM-Bird Brains-Did you know the zoo is home to over 25 species of birds? The kids will get to see some of them up close, learn some of their calls, and their unique characteristics.

Registration closes December 5th.

January 13th 2:00-4:00 PM-Animals & Art-Animals are the inspiration for a lot of artists. We will explore many different forms of art that can include animals and will focus on photography, so bring a camera!

Registration closes January 9th.

February 10th 1:30-3:30 PM-The Deep Blue Sea-Learn about some of the amazing creatures that are found in the oceans across the world.

Registration closes February 6th.

March 9th 9:45-11:45 AM-Zookeeper for a Day-Learn what it takes to be a zookeeper, good pet care skills, and other careers involved with animals.

Registration closes March 5th.

April 13th 1:30-3:30 PM-Down Under-See our new Australia exhibit and explore everything from the animals to the culture of the people.

Registration closes April 9th.

There is limited space per class so register quickly!
